Residential Specialist

Nancy has been a Realtor® in the state of Indiana for over 30 years, and gets thoroughly excited when she finds the right home for her buyers. Just as her husband enjoys the hunt for trophy game all over the world, her own home has a special location for trophy mounts. Not only does Nancy enjoy working with buyers but she enjoys helping sellers in every way possible to market their home. Nancy states “I have had the extreme pleasure of working with repeat clients as the client transitions through life, and even working with the second generation of clients”
